Dear Ayeh Arta:

RE: BOIL WATER ADVISORY RESCINDED TO THE BALDUR WATER SYSTEM

Drinking Water Officer, Nnamdi Komlan-Dodoh has advised me that the Baldur water system has met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the Baldur water system on November 23, 2026.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations are to be removed.

Should you have any questions, please contact Nnamdi Komlan-Dodoh, Regional Drinking Water Officer at 204-724-0685.

Sincerely,

Dr. Anna Johnston
Medical Officer of Health
Manitoba Health
